The Reconstruction Finance Corp. has announced the approval of a business loan of \$75,000 to the Precision Equipment Co. of Torrance.

According to the terms of the loan, the company will use \$37,500 for the purchase of machinery and equipment, \$29,500 will be set aside as working capital, and \$8,000 will be used to refinance equipment loans to permit the RFC to obtain a first lien on the equipment as security for the loan.

The company manufactures stainless steel fittings.

### Vice-Principal Appointment Okayed by Board

Appointment of Dale Harter to the position of vice-principal at Torrance High School was confirmed by the Board of Education here Tuesday evening.

Harter's appointment to succeed W. Bruce Wagner Jr., reported in the Torrance Herald on Jan. 30, was made earlier subject to the board's approval.

The vacancy was created when Wagner was named principal to succeed John K. Steinbaugh, who resigned to pursue studies leading to his doctorate in education.

### Day Ceramics Class Offered

For the benefit of adults in the Torrance area who would like to attend a daytime class in ceramics, a new free class is now being offered in Room 123 at Torrance High School every Monday afternoon from 2:30 to 5:30.

According to Clifford Inesee, the teacher, instruction will be given in figurines, book-ends, lamp bases, bonbon dishes, etc. Students are given individual attention and encouraged to make those articles in which they have the greatest interest for their homes and gift-giving.

Both beginning and advanced students are welcome, since instruction is mainly on an individual basis. Students are free to work out their own ideas, or Inesee is glad to help with suggestions for original work.

### New Dance Class Starts Monday

Hollywood choreographer Ray Fox will instruct a beginning class in ballroom dancing every Monday evening from 7:30 to 10 in the library of the Torrance High School.

Standard dances, the fox-trot, two-step and waltz, as well as the rhumba, samba, mambo and tango will be taught. On Wednesday evenings, Fox will conduct an advanced class in social dancing.

These classes are open to all adults and are free. Fox has been a professional instructor for the past 10 years and Torrance School of Adult Education is fortunate in obtaining his services, said Vernon Sheblak, director.
